PG Cert (Leadership, Coaching & Mentoring)

Course fee

£9995 plus VAT

The fee can be paid in instalments of £1000 each month for 11 months & £994 for 12th month. A deposit of £1000 should be made to secure the place in the course.

Course Venue

Dent Hub Academy training centre: 29 Brunswick Road, Gloucester, GL1 1JE

Parking is available on adjacent roads and St Michaels council car park is just around the corner.

Mentoring & Coaching

Each delegate will be performing 3 MOS procedures under clinical supervision by tutors at the Academy venues. This is included in the course fee.

(The provided cases will be a mixture of the MOS procedures; delegates cannot insist on specific type of cases only as the academy have to cater for different learning needs for different delegates and arranging only specific type of cases desired by the delegates may not be possible).

If the delegates want the tutors to visit their practices or if they want to perform more MOS procedures under clinical supervision, charges will apply.

Surgical courses abroad

Tutors arrange clinical courses abroad under their supervision, these courses provide opportunity to perform surgery under the supervision if delegates cannot arrange patients at their surgeries. Details of these courses can be found on our website; these courses are charged separately and are advertised periodically.

Registration & queries.
